CP TOUR TO GOLDEN B.C.

Come on, Friday Sept 11 *to Golden B.C.*

This fall we are going to Golden B.C. The first part of trip is non stop with coffee and muffins on the bus.

When we arrive we have lunch at the Shannaghns owned and run by a C.P. Rail Employee.

After lunch we will tour a C.P. Coal Car Shop or if ladies desire they can shop downtown and visit the new art gallery.

Next we will stop to see the historic wooden bridge and the new bridge on the Trans Canada Highway. We depart from Golden B.C. around 3:30 p.m. and have dinner at Canmore.
